

CC Robinson

CC Robinson is a Cincinnati-area author closing out *The Divided Series* with *United*, releasing October 13, 2026. Her award-winning, Amazon bestselling series imagines a racially divided America — and what it takes to bridge it.

Available to Discuss:

- The finale of a four-book series imagining a racially divided America – and what it takes to bridge it
- Also available to discuss: her medical background in post-civil-war nations, and why the series has four heroes instead of one.
